

Capabilities Statement

Mission Support | Screening | Intelligence | Language Services

Agile Intel Group LLC (AIG) provides mission-focused support to federal, military, civilian-agency, and prime-contractor customers. AIG helps agencies strengthen personnel reliability, validate sensitive information, reduce operational risk, and make timely decisions in security-conscious and information-sensitive environments through screening, intelligence research, investigations, verification, risk analysis, language services, and biometric-support capabilities.

Differentiators

- ◇ **Mission-aligned support:** Services are aligned to agency objectives, acquisition priorities, and measurable mission outcomes.
- ◇ **Risk-informed execution:** Research, verification, and analysis support decisions where accuracy, discretion, and accountability are essential.
- ◇ **Federal-ready capabilities:** Services are structured for contracting officers, program managers, and small business offices.
- ◇ **Actionable reporting:** Findings are organized to help agencies assess risk, document results, and determine next steps.
- ◇ **SDVOSB partner:** AIG provides specialized small-business support for federal mission and program requirements.

Core Competencies

- ◇ Personnel screening, background checks, and credential verification
- ◇ Open-source intelligence research, validation, and reporting
- ◇ Risk analysis and due diligence for personnel and operational decisions
- ◇ Translation, interpretation, interviewing support, and area studies
- ◇ Biometric-support, forensic-adjacent, and drug-testing management services

Federal Agency Use Cases

- Personnel screening, credential verification, and background-check support for federal programs.
- Open-source research, validation, and risk analysis for information-sensitive or security-conscious requirements.
- Language services, interviewing support, and area-study support for multilingual mission needs.
- Biometric, identity, drug-testing, and compliance-related support for agency operations.
- Small-business set-aside, SDVOSB, and agency vendor-outreach opportunities.

Relevant Government and Federal Experience

Personnel Screening Assessment and Verification

AIG supports personnel screening, PII research, background-check support, credential verification, OSINT research, and clearance-initialization activities, including NAC, SF-85, and SF-86 assistance.

- U.S. Marine Corps Recruiting Command, New York, NY.
- U.S. Coast Guard Auxiliary, Human Resources Directorate, Recruiting and Retention.

Language and Mission Support

AIG provides translation, interpretation, interviewing, interrogation support, Spanish-language proficiency, additional language capabilities as required, and foreign-country area studies.

- U.S. Marine Corps Interpreter-Translator Team, 1st District G-2, Garden City, NY
- U.S. Coast Guard Auxiliary, International Affairs Directorate, Interpreter Corps

Biometric and Forensic-Adjacent Support

AIG supports fingerprinting, drug-testing management and analysis, DNA testing coordination, counseling-related program support, and clear reporting for operational and compliance needs.

- U.S. Marine Corps Base, Headquarters, Camp Lejeune, NC.
- U.S. Marine Corps Base, CSA Counseling Center, Quantico, VA.
- N.C. Department of Health and Human Services, Ceiba Counseling Center, Raleigh, NC.

AIG can also support complementary administrative, education, legal, and document-support requirements when needed to advance federal program objectives.
